*“S” codes are national Permanent Level II HCPCS Codes that are maintained by the HCPCS National Panel, a group comprised of representatives from the Blue Cross/Blue Shield Association (BCBSA), the Health Insurance Association of America (HIAA), and the Centers for Medicare and Medicaid Services (CMS). Permanent Level II HCPCS Codes provide a standardized coding system that is managed jointly by public and private insurers, thus providing a stable system for claims processing. These codes can be used by all private and public insurers.
