

# Where Eligible Employees Can Get the Vaccine & How Employers Can Get Started

Regardless of vaccination site, employers should...

## Health Care Providers

HOSPITALS, CLINICS, PCPs

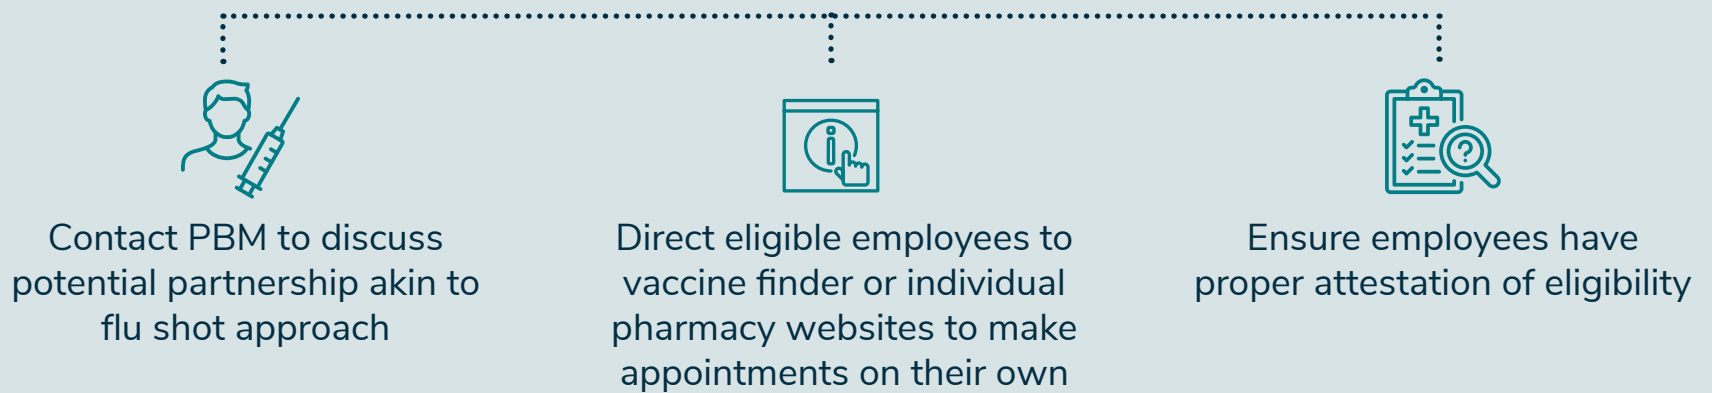

## On-site

CLINICS, DRIVE-THRUS, POP-UPS

## Pharmacies

PBM PARTNERSHIPS AND PHARMACIES UNDER FEDERAL PROGRAM

## State/Local Health Departments

**For each distribution method, understand your legal liability and create a plan for ensuring an equitable distribution of vaccines among all workers.**
