## Reviewed by:

William Dietz, M.D., **Centers for Disease Control and Prevention**;  
Erin Berner, **Kellogg Company**; Denise Sofka, **Maternal and Child Health Bureau**;  
Jackie Austad, **Union Pacific Railroad Company**

## About the Institute on Innovation in Workforce Well-being

The Institute on Innovation in Workforce Well-being is part of the National Business Group on Health. The Institute works with large employers on health improvement programs and develops practical and cost-effective solutions to reduce health risks and their cost impact for employees and their families.

For more information about the Institute, please contact [healthyweight@businessgrouphealth.org](mailto:healthyweight@businessgrouphealth.org)
