

# About the Institute ON **Innovation** IN **Workforce Wellbeing**

**National  
Business  
Group on  
Health**

The Innovation in Workforce Well-being is part of the National Business Group on Health. The Institute works with large employers on health improvement programs and develops practical and cost-effective solutions to reduce health risks and their cost impact for employees and their families.

## **For more information about the Institute contact:**

LuAnn Heinen, Vice President, National Business Group on Health and Director, Institute on Innovation in Workforce Well-being,
